ASIM CHAULAGAIN

Frontend Developer / MERN Mentor

+977-9841521120
Sallaghari, Bhaktapur
casimon8@gmail.com

Frontend Developer with 3+ years of expertise in React and Next.js, specializing in creating high-performance, user-centric web applications. Proficient across the MERN stack with strong backend capabilities in Node.js and MongoDB, plus experience building desktop applications with Electron.js.

As a MERN mentor, I combine hands-on development experience with a passion for teaching, helping developers master modern JavaScript technologies and industry-standard practices. Committed to delivering scalable solutions and exceptional user experiences.
